- Are you longing to grow in intimacy and friendship with God through prayer?
- Do you desire to be infused and sustained by God's loving presence to continue in ministry?
- Christian Centering Prayer can be a means of abiding in the love of God.
- In that secret place, God is present, healing, restoring and aligning us with his heart and will.
- Together we will learn and practice in a confidential, collegial setting and be strengthened to weave this prayer into our life with God.

Be still before the LORD
and wait patiently for him...Ps.37

"My participation in the Centering Prayer Group offered by Restoration Ministries has greatly contributed to my spiritual health and well-being. As a pastor, I love the ministry of serving others in Jesus' name, but it can also take a great toll on my own spiritual and emotional health. Having an opportunity to meet with a small group of other ministers who share similar struggles and concerns, provides me and us with an opportunity to "fix our eyes upon Jesus" as we contemplate and pray silently together in our little community. I come away feeling refreshed, renewed, and cared for. The mornings we meet are anticipated as a time and place of rest!"
